

Project 1

Title: Mandarin Fish Cooking School
Instructor: Linnea Moore
Location: Wen Zhou ShanGen Village
Studio: Arch 2104 Urban Building
Time: 2021 Spring

该项目以臭鳊鱼的制作流程为基础，结合建筑对不同区域的连接性，试图创造一个大体块却不突兀的设计。建筑外观结合当地村落的特色屋顶，并加以改造。创造出现代化与传统相结合，自然与人工相沟通的特色屋顶。

The project is based on the production process of the smelly mandarin fish, combined with the building's connectivity to different areas, in an attempt to create a general but not obtrusive design.

The exterior of the building is adapted to the characteristic roofs of local villages.

To create a combination of modern and traditional, and also a communication between natural and artificial.
